**Well, some interest was generated by the initial “invitations” sent last month and plans are moving along.**

I was delighted to hear from **Henk Smoorenburg**. He says he is planning to be here. He also provided addresses for the following people to me:

Guido & Deana Smoorenburg  
Jan & Marion van der Linden  
Bianca & Sake Bijlsma  
Marco Smoorenburg  
Ria & Nico Boumans

Thank you Henk !

The following people are planning to attend:

Gus Smoorenburg & Marion Holm  
Mandy (Smoorenburg) & Larry Helseth  
Michelle (Smoorenburg) & Milton Dennett & Christopher, David, Daniel, Johnathan, & Cressa  
Mylene (Smoorenburg) Romanello & Steve & Sara & Sandi  
Henk Smoorenburg

Let's make the attendee list grow each month !!!

I'm still trying to locate addresses for the following groups of people:

Frank & Louise Smoorenburg's adult children  
Anthony Smoorenburg's adult children  
Astrid Smoorenburg's son, Sidney Grift(?)  
Elizabeth Leunissen's adult girls  
and anyone else you think I should contact.

I am planning monthly updates about the status of the reunion plans. Initially, the emphasis will be on contacting relatives and updating the list of people planning to attend. Later, there will be news about the activities we have planned. Please provide any input you would like. I'm always looking for good ideas.

Until next month, \_\_\_\_\_ **Mandy**
